Fee Structure for Academic Year 2022-23 & 2023-24

Dear Parents,

Compliments of the Season!

We know that many people are going through financial hardship and to put all parents at ease, we would like you to know that irrespective of the personal financial situation of any individual parent we have not let any stoppage take place for the learning of any of our students in the academic year 2020-21.

The unprecedented situation caused by COVID 19 pandemic has forced us to change and adapt to newer ways of living, working, and learning. We as a school have left no stone unturned in ensuring seamless continuity of academic delivery in our School. Our teachers and staff have done an incredible job in keeping your child's learning process continued, uninterrupted through online classes.

Despite the pandemic, there has been no reduction in School expenses. We have been paying salaries to all our staff on time every month. Though there has been a minor reduction in some cost heads on the other hand the School had to spend more in sanitizing the School premises on an ongoing basis for the safety of staff and students. Additionally, School has incurred costs for creating back end infrastructure for supporting online classes seamlessly. Moreover, we are paying for all the usual services and contracts to support the school and seamlessly deliver online schooling.

We are a permanently unaided School permitted as a Self-financed School under the concerning legislation of the state government of Maharashtra and we rely on the fees alone for upkeep and the functioning of the School.

The school management has already taken efforts to help parents in the best possible manner considering the pandemic situation. The school management has decided on extending the COVID Relief for the next two academic years.

The school Management has proposed the following fees in accordance to the provisions of Section 6 Sub Section 1 B of Maharashtra Educational Institutions (Regulation of Fee) Act, 2011 & The Maharashtra Educational Institutions (Regulation of Fee) (Amendment) Act, 2018 .
